

4 Reasons to Join our Ranks!

Our program is designed to help you prepare students for in-demand jobs and the future of work. As an educator, you'll get professional experience, development and recognition.

<p>Offer your students more opportunities</p>	<p>During this time, virtual teaching is paramount. Joining a program like Networking Academy will allow you to expand your reach as an educator. And most importantly, jointly we'll be giving students greater opportunities during the pandemic and after.</p>
<p>Join an education program backed by world technology leader, Cisco</p>	<p>As part of Cisco's Corporate Social Responsibility efforts, Networking Academy has proven itself for over 20 years. Its curriculum is internationally recognized, and student skills & certifications are also internationally recognized by employers. What's more, it's free for most instructors and educational institutions.</p>
<p>Grow yourself professionally</p>	<p>In a recent survey, 97.2% of educators reported their involvement improved their teaching and professional growth and 85.2% said the program helped broaden their career.</p>
<p>Embrace a true skills-to-jobs based program</p>	<p>Since the program's inception, 1.9M graduates have found jobs. Talent Bridge Matching Engine leverages students' achievements to connect employers to students. In FY19, 290 employers have posted 21,000+ entry-level jobs, and 14,500 students have been connected to job opportunities. (2018/2019 Talent Bridge Survey)</p>
